DSM Food Specialties is aware of the legislation¹ on Genetically Modified (GM) Food in various countries and wants to be transparent in the information supplied to our customers about our products².

- This product is not a GMO and does not contain a GMO.
- The producing micro-organism is of non-GM origin. All formulating agents (such as carriers or diluents) are of non-GM origin.
- The product, as listed above, is intended to be used in food processing.

¹Most relevant: Regulation (EC) No 1829/2003 on Genetically Modified Food and Feed, and 1831/2003 on traceability and labelling of genetically modified organisms.

²For more information on the use of biotechnology by DSM, please, have a look at our web-site: www.dsm.com
